"I scored best on vault but felt re-ally good on beam," Minch said, add-ing Thursday was the first time she performed a new mount on beam. "It's a round-off, layout move. It was so scary. If you do one little thing wrong, you're off. You won't land on the beam."

Debbie Ford of Farmington follows through on her beam routine Thursday at the WLAA meet. She received an 8.00 score.

North 3rd in WLAA finals

coach Chuck Olson responded. "I
was hoping (the meet) would come

close. I figured we could win the
last event. I felt preity good about
that."
Who wouldn't, with Orris anchoring. The junior won both his individual events, setting WLAA
records in each. He was easily the
best swimmer in the meet.
"And to think," Canton coach
Hooker Wellman contemplated.

But Orris was dealt a blue chip, sending him to bolster Olson's program for four years instead of Wellman's. He made it look almost easy Priday, particularly in the 500 free, which he won in a leisurely 4:33.97. Northville's Eric Newton was a distant second (4:36.75).

IN THE 500 free prelims, Orris set a new WLAA record of 4:44.23, breaking the mark set by Mike Tuney of North in 1985 (4:46.74). He got his first record earlier in Wednesday's prelims, going 1:57.34 in the 200 individual mediey to bust another Tuney mark (1:59.36, in '87). Orris won the 200 IM in 1:99.45.

The meet produced one other double-winner in individual events, Salem's Mike Hill. Hill got firsts in both the 200 (1.48.52) and 100 (48.51) free.

Canton got off to a good start by winning the opening event, the 200 medley relay. We had to win that," said Wellman. "If we didn't, we never would have been able to challenge (Salem)." Homan, Scott Schwartzwelter, Bryce Anderson and Milch Timberlake combined for the win in 142.63, edging Salem's Chris But-2141, Mark Erickson, Hill and Fred Seidelman (1.42.90).

And in the 100 backstroke, Livonia Churchill's Mark Paplerski was first in 57.47. Northylle dominated the diving, claiming the top three spots. Rob

Northville dominated the diving, claiming the top three spots. Rob Devysk won the title with 421.70 points who are the place that we could have won the meet, 'said Wellman. 'But we really didn't have any control over it. The league is just so strong.' Olson agreed. 'I don't know of anyone who didn't do well for us,' he said. "We swam really well in the prellms, but we had lost points. That's not the way it's supposed to be.

That's not the way it's supposed to be.
"Everybody swam well for us in the prelims, and they swam better tonight."
And yet, as strong as the two CEP coaches claim the WLAA is, there was Ittle doubt where the strength is centered. There was a I'l-point gap between second-place Canton and third-place North. Whereap between ities and

North.

The difference between first and second was obvious enough. In Wellman's description of Salem's advantage, "Thank God for Orris."

Trenton trounces Chargers

Livonia Churchill had its chances Thursday, but second-ranked Trenton woke up in the second period and polished off the Chargers 9-3 in a Class A regional hockey game at the St. Clair Shores Civic Areas.

The Chargers dominated the first period of play, outshoreling Trenton 15-3 and controlling the play, yet still trailed 2-1 after the first 15 minutes.

Mike lavasile scored the lone Churchili goal in the session, with assists going to Ken Landis and Mike Kneiding.

Trenton coach Skip Howey was happy to have the lead after the period.

"It thought Churchill played very well in the first period," be said. "It could have been a 4-1 game if we did not have a hot goaltender (Derek Mento)."
The Trojans, however, came out ready to play in the second period, secring two quick goals and controlling the action. The goals, both of which were secred by Britan Voss, gave Trenton a 4-1 lead with 11:24 left in the session.

Shamrocks outmuscle Lathrup

In a fast-paced Class A hockey regional battle Thurs-day at Oak Park's Compuware Arena, Redford Catholic Central rode the two-goal performances from forwards Jim Huebenschmidt and Paul Pirroncilo to beat South-field-Lathrup, 8-2.

CC peppered 43 shots at Chargers goaltender Alan Stern.

Despite a wide margin in play, the Shamrocks led only 1-0 after the first period. Pirronello converted a centering pass from Andy Plemmons at 5:27.

A key play, according to Lathrup coach Ken Berke, followed the second period face-off. Hubenschmidt found the range at nine seconds on a feed from Kris Slocum.

Lathrup (8-15) momentarily got back into the game at

6:43, when the team's top goal scorer, Kevin Berke, fired a wrist shot home from the left circle.

BUT THE SIJAMROCKS kicked their game into over-drive, scoring six unanswered goals, including tailies from Jason Baldas and Pirronello before the second pe-riod buzzer.

Adding insult to injury were CC goals 31 seconds-part, early in the third frame with the teams playing-four aside. Mark Zwarych and Keith Bozyk were tho.: marksmen.

marksmen. Hubenschmidt made good on a perfect set-up from Scott Lock to like the Shamrocks lead to 7-1, with 9:53-left. Rounding out the scoring were CC's Steve McCaul and the Chargers' Ken Stein, who blocked a shot at his, own blue line and raced the length of the ice to score.
