# Appliances display

**S**UDDENLY, you're hearing practically every appliance manufacturer touting "European styling" as a feature in their particular appliance line.

Trevarrow Inc. features kitchen appliance manufacturers such as the Gaggenau, USA Corp., who have been making European styled "appliances" for 320 years.

Trevarrow will display the newest high-tech home appliances at the 1989 International Builders Home, Flower and Furniture Show, March 18-26 at Cobo Hall.

The first built-in kitchen appliances

Pioneer appliance manufacturer Gaggenau will be featured in the Trevarrow exhibit at the Builders Show. Gaggenau appliances are designed and manufactured in West Germany.
