We believe our people are as important as our clients.

So we treat them with the same consideration and respect that we show our clients.

We find assignments for our temporaries that fit their interests and qualifications instead of putting them in an uncomfortable situation just to fill a request.

We offer opportunities to obtain the experience to make their skills even more marketable.

Corporate Personnel Services offers top wages, as well as a fringe benefit package consisting of health and life insurance plus holiday and vacation pay.

Let's face it, without good people working for us, we're out of business.

If you would like to become part of our team, give us a call and let us show you how important you really are.
