

Falcons have positive view

Continued from Page 1

ON THE receiving end of their pitches will be junior Dave Wilson, a veteran catcher who hit .358 on No. 2 better led the team in stolen bases with seven of its 44 and had only two defensive errors. Junior Gary Shelp, formerly a JV catcher, will be his back-up.

Schmidt, senior Chris Adams, junior Kevin VanOrsd and Young are slated to start on the infield. Schmidt, though he didn't have a good year at the plate, is a dependable hitter, scores Kananman, and led the team in fielding with a .901 percentage. Adams returns to second base following a season in which he hit .358.

Kendro, who makes the jump from JV to varsity, replaces Reid Gough at shortstop. Young will bat third again after hitting .404 in that position as a sophomore.

Senior Jeff Thomas, junior Brian Pospolowski and senior Todd

Jacobs are additional second basemen, while Miller and junior Dan Basing are the back-ups at the hot corner.

Farmington lost an excellent outfielder to graduation in Brian Tomawley, but they return senior Geoff Childers, who batted .431, drove in 11 runs and was named to the all-division team.

CHILDRESS started in center field but will move over to right since he has the best arm, Kananman said. Senior Paul Woytowich led the team in playing time in left field as did senior Scott Seabolt.

Other outfield prospects are Vichio, juniors P.J. Green and Eric Menner and Cellaske.

"All of the outfield positions are somewhat open, but the starters will come out of that group," Kananman said. "There's so many good players I'm not worried about who will play."

Farmington's Oates makes grade

Continued from Page 1

Szaturski also competed in the all-around at the regional and floor, beam and vault at state. Her high scores were 8.50 on bars, 8.50 on beam, 8.00 on floor, 8.75 on vault and 33.85 in all-around.

"I have high expectations for her in the future," Dwyer said. "She still has a lot of potential. I think she saw she can be competitive with the rest of the high school field, and I think that will give her incentive to keep going."

Dawn Clifford, freshman, Canton: Clifford is an All-American on beam and all-around. She won sixth in the all-around at the regional level where she also finished third on beam, sixth on bars and seventh on floor.

She tied for fourth place on beam at the league meet and was 11th in the all-around. Clifford's high scores were 8.40 on vault, 8.55 on bars, 8.00 on beam, 8.75 on floor and 34.20 in the all-around.

"She was our most consistent all-around performer," coach John Cunningham said. "She had our highest all-around score twice and missed a school record by .15."

Heather Murphy, sophomore, Canton: Murphy earned All-America honors on beam for the second straight year. Her high scores in that event was 8.70 and her season average 8.30.

She was third on beam at the regional and WLA meet. Her best scores in other events were 8.30 on vault, 8.40 on bars and 8.65 on floor. Murphy's best in the all-around was a 33.35. She averaged 32.31 as an all-arounder.

"She was a consistent performer who will be a team leader next year," Cunningham said.

Johanna Anderson, sophomore, Canton: Anderson is an All-American on floor and beam. She scored a season-best 8.55 on floor and tied for second place in the regional.

She also was 10th on beam and the all-around (33.45) at the regional. In the WLA meet, Anderson was fifth on floor, sixth on beam, eighth on vault and seventh in the all-around.

In addition to the floor exercise, her best scores were 8.60 on vault, 8.20 on bars, 8.70 on beam and 34.10 as an all-arounder. She averaged 32.66 in the all-around.

"She had several excellent meets and was a surprise as one of Canton's best performers," Cunningham said.

Christina Oates, freshman, Farmington: Oates tied for third place on beam at the regional and qualified for state. She missed qualifying by .05 on bars and floor.

Oates scored a season-high 8.15 on vault and 8.95 on bars, beam and floor. Her best in the all-around was 34.20. In the WLA meet, she was fourth on beam, seventh on floor and ninth in the all-around with a 33.60 total.

"Christina is a confident performer," coach Mary Beth Schornhorst said. "Out of 15 meets, she only had two beam routines with falls. She nailed every other routine."

ALL-AROUND GYMNASTICS

Lisa Granfeldt, freshman, Clarencoville: Granfeldt earned All-America honors on beam and won the Great Lakes Eight League championship in that event.

She scored a season high of 8.90 on the beam, 8.45 on vault, 8.65 on bars and 8.65 on floor. Her best all-around total was 34.55. She tied with Glenn's Christine Prough for 19th place in the regional all-around.

"Lisa has great potential," coach Chuck Thompson said. "With one year of high school competition under her belt, she is ready to go on to bigger and better things. I am looking forward to the future with Lisa. She's a very steady competitor."

Christina Prough, sophomore, Glenn: At the regional meet, Prough placed sixth on beam, 18th on vault and 21st on floor. She was 19th in the all-around and, subsequently, finished 33rd in the state.

Prough's season averages were 8.30 on vault, 8.80 on bars, 8.42 on beam, 8.25 on floor and 31.65 in the all-around.

Autumn Bunch, freshman, Salem: Bunch was 21st among regional all-arounders with a 31.85 score. Her best regional events were floor and bars in which she was seventh and 11th with 8.65 and 8.35 scores, respectively.

In the league, Bunch was 13th in the all-around at 32.75. She also took fifth on floor, ninth on vault and 14th on bars.

HEALTH TESTS

Pre-athletic health screening for all male and female athletes in the Farmington Public Schools system during the 1988-89 school year will be conducted on Tuesday, May 16, at North Farmington High School. The cost (cash only) is \$5. The scheduled time for middle school participants is 5:30-6:30 p.m., for high school students 6:30-8 p.m.

TRAIL MARATHON

The Third Annual Michigan Trail Marathon and Half-Marathon will take place Sunday, April 30, on the Pottawatomie Hiking Trail in the Pottawatomie Recreation Area. Pre-race headquarters will be in Running Flat, 200 E. Washington, in downtown Ann Arbor. The phone number is 769-3016. A full slate of pre-race activities is planned, including a carbo-loading pasta dinner and pre-race check-in and campfire at the Crooked Lake Campground on Saturday, April 29.

GOLF BENEFIT

The Masonry Institute of Michigan, located in Farmington, will have its 12th annual benefit golf outing on Thursday, June 15, at Tyrone Hills Golf and Country Club.

The proceeds will be used to fund eight scholarships for students enrolled in the School of Architecture at Lawrence Technological University in Southfield.

Tickets are \$95 for golfers or \$65 for non-golfers. For information, call the Masonry Institute at 478-6455.

Hawks have depth

Continued from Page 1

They'll have the four of them playing this week and they'll decide it. They're good players and competitive."

"We have depth. There's not much of a drop from the three singles player to the three doubles players. It's fairly even."

Goldstein predicts "We should get a lot of points from the doubles teams down there."

Goldstein says that despite not knowing what order he'll put his players in. Of the eight doubles candidates, six are juniors.

Heading the list of doubles returnees are Chris Ruggie and Brad Aldrich, both juniors who paired together last spring. Other candidates include juniors Chris Seinfeld, Jason Rosenfield, Mike Sapota and Patrick Maltrepiere. The lone senior among the group is Paul Cornille.

Marlins remain talented

Continued from Page 1

Mercy, however, has a number of good sprinters, including senior Adama Amanze, Marie, Hood, junior Kim Cook, sophomore Nyasha Glass and Bostick.

Amanze will be the lead-off runner on the 400 and 800 relays again, and Marie "has gained a lot of speed and staying power since last year," Servais said. Cook and Glass can run the 100 and 200 dashes and both relays.

The outlook is favorable in the hurdles where Mercy returns its top three from a year ago — junior Mary Beth Strand, Woodley and senior Sarah Holmes.

The Marlins will use the Farmington Hills Recreation facilities for practice and meets once again, but plans are in the works to construct a track on the grounds at Mercy. Servais hopes the new facility will be ready by 1990.
