They sold more than \$1 million of residential real estate during 1988.

Greg Gerfen joined W.B. Doner &

Free trade benefits Canadians

The time to penetrate foreign markets is when times are good, not when times are bad. But they make inaccurate cost-benefit analyses. They look at the up-front costs and say, "God, the benefits won't accrue for years."

All of which are the imports sold, helps explain America's export-import imbalances, and why Canada isn't in any immediate danger of statehood.

Interested in a career in health sciences?

Complete your B.S. degree requirements at Oakland University in one of four Medical Laboratory Sciences specializations: Medical Technology, Nuclear Medicine Technology, Cytotechnology, Histotechnology.
