We Need Volunteers Who Love Happy Campers!

Sun Deer® campers are happy campers and it's no wonder because most severely asthmatic kids are forced to spend their summers indoors. At Camp Sun Deer® asthmatic kids ages 9-12 participate in a variety of outdoor activities, but they can't do it without your help. The limitations and doubts they face can be diminished by a volunteer who cares. Your participation at Camp Sun Deer® can make all the difference in an asthmatic child's summer.

WELLSPRING OF OUR COMMUNITY
ST. MARY HOSPITAL

Celebrating National Hospital Week, May 7-13, 1989

A wellspring is a source of continual supply for the community it serves.

Like a wellspring, St. Mary Hospital nourishes our community with constant healthcare, information, and services in a Christian atmosphere.

When there is sickness or injury, we have the expertise, equipment, and compassion it takes to promote healing.

We provide programming that educates and informs our neighbors—helping you to help yourselves to better health.

Behind every service we offer is the deep reserve of skill and enthusiasm our staff brings to their jobs.

Our administrators, physicians, nurses, staff and volunteers are the source of our constant renewal.

During National Hospital Week, we salute these dedicated caregivers for keeping the wellspring flowing.
