We Need Volunteers Who Love Happy Campers!

Sun Deer campers are happy campers and it's no wonder because most severely asthmatic kids are forced to spend their summers indoors. At Camp Sun Deer, asthmatic kids ages 9-12 participate in a variety of outdoor activities, but they can't do it without your help. The limitations and doubts they face can be diminished by a volunteer who cares. Your participation at Camp Sun Deer can make all the difference in an asthmatic child's summer.
