Keeping the waterball afloat

During the 1987 Farmington/Farmington Hills Founders Festival, the Farmington Hills Fire Department hosted a one-night, intra-departmental waterball competition — a favorite recreational pastime among fire departments. With firefighters in full wet gear,

the event took place in the parking lot at Mulrwood Square, Grand River at Drake, in Farmington Hills, in front of the Standard Federal Banking Center. No competition has been scheduled since then. This year, the

fire department will host a fire safety house at Kids Day Tuesday, July 11, in Shiawassee Park, Shiawassee at Power in Farmington, and a fire equipment display Friday, July 14, at the Downtown Farmington Center.
