During training, he received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid and Army history and tradition.

We Need Volunteers Who Love Happy Campers!
Sun Deer* campers are happy campers and it's no wonder because most severely asthmatic kids are forced to spend their summer's indoors. At Camp Sun Deer* asthmatic kids ages 9-12 participate in a variety of outdoor activities, but they can't do it without your help. The limitations and doubts they face can be diminished by a volunteer who cares. Your participation at Camp Sun Deer* can make all the difference in an asthmatic child's summer.
