This is no way to sell your home!

Especially in today's real estate market. There are so many aspects to consider when selling your home, so many things you have to deal with, that it takes a professional to understand it all. Things like getting a fair appraisal, locating qualified buyers, creative financing, getting competent legal work, etc. Observer & Eccentric Area Realtors are professionals, and they're trained to do the job right. They can make sure you get the right price for your home. It's important to them, too.
