They named a street after Budget Rent a Truck.

"You know, I've had to send a lot of players packing in my time. So I always try to soften the blow by suggesting that they look into a Budget One-Way Truck. Budget Rent a Truck has a special fleet of 15- and 24-foot diesels and cargo vans that are priced just right for that one-way move to Miami or San Francisco. And they come equipped with automatic transmission, power steering, AM/FM stereo and air conditioning. Like I tell my only one way Budget rent a truck."
