Like Father, Like Son.

Father likes whipped cream with his mousse. Son likes mousse with his hair. Son likes The Clash. Father also likes the paisley tie Mom picked out for his new plaid jacket. Father likes Chicago's Famous. Son does too. Especially when Father pays.

Special help for moms-to-be.

You are expecting, but you don't know what to expect. It's your first time. Your body is constantly changing. And so are your emotions. You have lots of questions and concerns. You would like help. But where can you find it?

Right here at Huron Valley Hospital. Our FirstBorn Program has been designed to ease first-time moms through planning, birth and postnatal care. Here's how FirstBorn works. A specially trained counselor works with you to plan your pregnancy and delivery (there are lots of options at Huron Valley Hospital). And she helps you select a doctor if you don't already have one. At Huron Valley Hospital, we

want to make your birth experience everything you want it to be.

The FirstBorn Program offers special classes to make you more comfortable during your pregnancy and to help you prepare for birth and early parenting. Monthly newsletters aimed to your pregnancy provide tips on exercise, diet, health and fetal development. The FirstBorn Program also includes a 24-hour hotline, staffed by professionals who can answer your questions and provide reassurance. Any time. Even after your baby is born.

For more information or to enroll in the FirstBorn Program, please call (313) 350-3451.
