Obesity. We treat it like a disease.

Not a weakness in character.

Treat obesity like a human failure, and you're in for trouble. Obesity is a disease. A complex and multifaceted disease requiring more than quick answers and fast diets to treat. The Optifast Program offers the expertise you need. Sound, hospital affiliated, medical expertise. With the close, ongoing attention of physicians, nurses and other medical professionals to support you every step of the way. Over the past twelve years more than a quarter million people have participated in the Optifast regimen of nutritional counseling, behavior modification and group support. If you're fifty pounds or more overweight, and you'd like to experience The Optifast Program for yourself, we invite you to participate in our next orientation session. Just call us at the number listed below.

It won't be a piece of cake, but if you're willing to make the commitment, we can take it from there.

When you've got the will, we've got the way.

Andre Dawson's
most devoted fan couldn't
remember his name.

"My grandmother was like a mother to me. I turned to her for motivation and inspiration. But with Alzheimer's Disease, she gradually forgot the people around her. She couldn't even recognize me. All I could do was witness a very long, slow death...and suffer watching."

Andre Dawson knows first-hand the isolation and loneliness of caring for a loved one with Alzheimer's Disease. Now for the millions of family members who stand by a loved one with Alzheimer's Disease... there's someone to stand by you. The Alzheimer's Association.

At the Alzheimer's Association, we have support groups where you can get in touch with your feelings. And community services that can put you in touch with the facts. And, we are leading the way in funding medical research that hopefully, one day, will put us all in touch with the cure.

To reach the Alzheimer's Association chapter in your neighborhood, call the number below. Someone is there now. To stand by you.
