With M-CARE, the sky is not the limit.

There's a serious accident. Time is crucial. A helicopter is dispatched to speed the victim to the University of Michigan Burn Center... a service you, hopefully, will never have to call on. But it's there if you need it, and much, much more through M-CARE.

M-CARE is the only HMO that links all the resources of the U of M Medical Center to the personal care of your family doctor and your nearby hospital. M-CARE covers you for office visits, checkups, hospitalization—even emergency helicopter transport.

Of course, with the M-CARE network of hospitals in cities like Royal Oak, Dearborn and Rochester, you don't always have to go to the U of M Medical Center. But isn't it good to know it's there whenever you need it? To find out more, ask your employer. Or call M-CARE at 747-8700.
