A boost

North Farmington High's Booster Club held its annual Great Scott! Days fund-raiser Wednesday at the Great Scott! supermarket, 13 Mile and Orchard Lake roads, Farmington Hills. Students helped bag and carry out groceries. They also entertained. Parents lent a hand. A percentage of sales from that day will go to the club, which boosts extracurricular programs. ABOVE: Varsity cheerleader Michelle Yuskowatz bags a customer's groceries. Her mom, Norene, also helped during the event. AT LEFT: Lynda Lindhardt and her husband, Roy, sell hot dogs and soft drinks from a stand outside the store. One son, Matt, is a junior at North. Another son, Jason, is a North graduate. In the foreground eating are Warner Middle School sixth graders Steve Thurman (left) and Andy Franks.

Join us for free refreshments and find out what happiness is all about at Pinebrook and learn about life by the sea at HarbourSide. You'll meet warm, friendly representatives of both communities who will answer your questions about Florida's finest condominium living. There's no obligation, of course. So be sure to RSVP. Here are a few hints about our communities just as a warm tip...

PINEBROOK is a friendly, active lifestyle oriented condominium community in Bradenton... on Florida's Gulf Coast. Own a condominium home on a lovely manicured par 68 golf course from the 1980's. Enjoy the biking path, pools, cabana and extensively appointed clubhouse. A low membership fee entitles you to unlimited golf privileges. Pinebrook... it's what happiness is.

HARBOURSIDE is a secluded community that offers you the tranquility of island living from the 1980's. Surrounded by crystal blue Boca Grande Bay, HarbourSide is moments from sandy white golf beaches, shopping and the excitement of the Suncoast. Own a condominium overlooking the water and enjoy a private beach, clubhouse, health club, pool and spa... even a magnificent 86 slip yacht basin. HarbourSide: the magic of island living at its very best.
