

'No-Tap' on tap for weekend rollers

WHAT ARE you doing Saturday night? Quite often this question can produce an answer like "not much" or "don't know."

Many of the area's bowling establishments offer the Saturday Night "No-Tap" or "Moonlight" bowling for any couple with established league averages. This can be a real "fun" night out and profitable if the contestant hits a lucky streak.

You don't have to be great to win, and whether or not you win, it can be an enjoyable night out. The cost to enter varies from house to house, ranging in price from \$12-20 per couple. Included are mystery game prizes and the lucky strike jackpot.

In addition, there are cash prizes for the winning couple based on the number of entries that night. Usually 50 or so entries will generate a first prize worth nearly \$200.

That would be a great way to top off a nice night of bowling. The bowling centers in the area providing "No-Tap" Saturday nights include: West Bloomfield Lanes (855-9555), 10:30 p.m.; Thunderbird Lanes in Troy (352-1660), 11:30 p.m.; Country Lanes in Farm-

chester Hills (852-8200), 11 p.m.; Emerald Lanes in Troy (879-8122), 11:30 p.m.; Classic Lanes in Rochester Hills (852-9100), 11:30 p.m.; Mayflower Lanes in Redford (937-8420), 11:45 p.m.; Woodland Lanes in Livonia (477-6410), 11:15 p.m.; Westland Bowl (722-7570), 10 p.m.; Plaza Lanes in Plymouth (453-4880), 11:30 p.m.; Town & Country in Westland (722-5000), 10:30 p.m.; every other Saturday; Beech Lanes in Redford (531-3800), 10 p.m.; and Redford Lanes (535-8300), 10:30 p.m.

You can fill up those dreary winter Saturday nights with a lot of fun and perhaps some nice prizes with this 9-pin No-Tap doubles bowling. Note the starting times. I suggest you call ahead for reservations.

Bel Aire Lanes in Farmington has the Tuesday Night Senior House League in which Joe Camilleri took high game honors with a 269 while his brother, Angelo Camilleri hit a 238 in the same game. John Starleba scored a 257, Clark Falcione 247, and Dave Lewiston rolled a 252.

Bowling Tip of the Week: This one comes from Jack Treolar, Jr., of the Miller Lite Classic League, which competes Friday nights at Plum Hollow. Jack says to keep at free arm swing, after the push-away. There should be no muscle altering the straight natural swing of the ball. Use your shoulder as a hinge. A free swing is a straight swing, which allows you to hit your target more consistently, and it will also help you keep your speed more consistent. The weight of the ball on your backswing can generate enough power without the need of more muscle.
