

police/fire calls

Listed below are some of the Farmington-area police incidents, fire calls and court cases reported during the past week:

CARS COLLIDE

Two cars, one a marked police car, were heavily damaged in a two-car crash on wet pavement in the intersection of 13 Mile and Orchard Lake Road Nov. 16, Farmington Hills police said.

Officer Glenn Brantley required treatment at Providence Hospital-Novi after the 12:30 p.m. crash.

The other driver, a 20-year-old Farmington Hills man, was not hurt, said traffic officer Don Fradette.

Brantley was northbound on Orchard Lake Road, making an emergency run, when he stopped for a red light at 13 Mile. When traffic yielded, he proceeded slowly into the intersection, with his emergency lights and siren activated. That's when a westbound car hit the police car and

spun it around, Fradette said.

The 20-year-old man was ticketed for failing to yield to an emergency vehicle, a misdemeanor, and driving too fast for conditions, a civil infraction, Fradette said.

2 ARRESTED

Two Garden City men face felony charges in connection with the break-in of a pickup parked at Drake-shire Lanes, 35000 Grand River, on Tuesday.

According to a Farmington Hills police report:

Crime Suppression Unit officers on patrol at 11 p.m. saw a car cruising the Drake-shire Lanes parking lot. They saw two men exit the car and look into parked vehicles, using flashlights.

After returning to their car, the men headed across Grand River, to Apartments and Chatham Hills Apartments.

About this time, an officer discovered that a pickup parked at Drake-shire Lanes had been broken into. The suspects were stopped and arrested on Drake near Grand River. Damage to the pickup was estimated at \$75.

ITEMS RECOVERED

Farmington Hills police recovered household items stolen from a house on Canfield Wednesday afternoon.

Two small TVs, a cordless telephone, a desktop answering service telephone, a microcassette recorder, an Instamatic camera, a mini-microwave oven and coins valued at \$300 were found at 1:20 p.m. behind

a wall separating Cedarbrooke Apartments from a field.

A Middlebelt resident told police he spotted a man carrying the items from the house to the collection site.

When the thief moved his car from the apartment lot to the collection site, the Middlebelt resident confronted him, prompting him to drive off, according to a Farmington Hills police report.

COMPUTER TAKEN

Computer equipment valued at \$5,000 was reported stolen from Pressac Inc., 37780 Hills Tech Drive, Nov. 17-20, according to a Farmington Hills police report.

SEARS By An Authorized Sears Installer

MAGNETIC INTERIOR INSULATING WINDOW SYSTEM

- Magnetic Seal reduces drafts and air infiltration
- Seals like a refrigerator door gasket
- Creates dead air space — a natural thermal barrier
- Reduces cold drafts, sweating and frosting
- Acrylic glazing — a better insulator than glass
- Custom made to fit almost any window or doorwall
- Especially effective with older, loose-fitting windows
- Helps increase home comfort
