**We Need Volunteers Who Love Happy Campers!**  
Sun Deer\* campers are happy campers and it's no wonder because most severely asthmatic kids are forced to spend their summer indoors. At Camp Sun Deer\* asthmatic kids ages 9-12 participate in a variety of outdoor activities, but they can't do it without your help. The limitations and doubts they face can be diminished by a volunteer who cares. Your participation at Camp Sun Deer\* can make all the difference in an asthmatic child's summer.
