NOTHING HELD BACK - THE SALE OF THE YEAR

Hall of Games is Here. We're the game store for grown-ups with all the latest games as well as the old classics. Because we specialize in games, unlike the kids toy stores who maybe only carry a few of the most popular adult games, we have the most complete selection in the Detroit Metro area, including the hard to find items you just can't do without, like the famous **GO**, the oriental board game, or how about **SHOGI** or maybe **MAH JONGG** to just name a few. Maybe a game of chance is more your style, we have a complete selection of gaming devices like, **roulette wheels** (casino quality), game fells, cards, poker chips (we even put your name on them), dice (monogrammed if you like) with the largest selection of quality **game tables** in Detroit. Oh! One last thing. For the next four days it's all 50% off.
