# **Objections To Regional Mall**

Continued from Page 1A
Joseph Turna of 14 Mile
Rd asked if a referendum
election could be held before
the board acts on the request.
Joseph T. Brennan, township attorney, explained that
residents would have to wait
until after the board approves the rezoning (if it
does) and then would have 30
days to petition for a referen-

shop is equipped to handle any alteration or tailoring need for both men and

dum. The petition must have signatures numbering at least is per cent of the homeowners in the township, he added.

Bill Plattery of Westmeath commented the township with the township with the main issue but the question of whether a center was desired.

The center very likely could relocate in Novi, with the township having to suffer from many traffic and drainage problems and receive no tax benefits, he added.

Mann commented that about 250 acres surrounding the proposed site for the center of the proposed site of the proposed site for the center of the proposed site of the propo

des not want the 10 Mile Sewer Arm to be built. "We'll wire in a cospool without the would have many traffic problems if the center located on the west side of the 1275 expressway in Walled Lake. Taxes are rising, Plantery added, and the township needs a sound commercial with bage to keep taxes level. Community. We need it."

The RED FAIRFIELD of Fex Grove Ct. said the residential portion of the development is a higher density and would place a greater burden on Farmington Schools, which would not receive any tax benefits because the site is located in the Walled Lake School District.

"We fought annexation to preserve our planning and community," he added. "This would turn our 36-square mile community upside down with the industrial parts and downtown business overshadowed turn our 36-square mile community upside down with the industrial parts and downtown business overshadowed the south being a control of the control of

ALBERT ROSS of Hal-ALBERT ROSS of Hal-stead Rd, questioned the ecological beauty of the area and made reference to exis-ting piles of garbage. "It would do us a lot of good to get the sewers and get some action out here:"

A resident from the south end asked if Taubman would be willing to include low-rental housing for senior citi-zens if the resoning was ap-proved.

John Talpa, resident, commented that change is inevitable, including city-hood. It would be better to have a regional shopping center planned by a professional developer, he added, than the Orchard Lake commercial sprawl.
