## No Waivers For SC Board

There will be no waiver of tuition and fees for Schoolcraft College board members, spouses and children.

That was the action of the trustees by unanimous vote in conforming with the provisions of Public Act 83 of 1970.

President Dr. Bradner informed the board that such waivers were forbidden by the act, which became effective July 1, 1970.

On that motion of Trustee Dr. Robert Geake supported by Trustee Paul Mutnick, the board passed the following resolution:

WHEREAS, the State Legislature has prohibited the issuance of waivers of tuition for all colleges in Michigan,

## 3 Board Posts Open At S'craft

With three trusteeships up for grabs in the June election, Schoolcraft College officials are looking for a record number of candidates filing petitions before the deadline at 4 p.m. on April 27.

The terms of Chairman Jane Moehle of Plymouth, Clark Oldenberg of Garden City and James Boswell of Livonia expire this year.

Boswell hasn't attended a meeting in more than a year, and his attendance record is less than 25 per cent during his

term of office. He is not expected to seek re-election although there hasn't been any indication of his future plans from the University of Michigan where he reportedly is working toward a doctorate degree.

Neither Mrs. Moehle nor Oldenberg, who have been trustees since Schoolcraft was organized in 1960, would comment on plans. However, each is expected to make intentions known well in advance of the filing deadline.

## \$455 Gifts To S'craft

Six gifts, totaling \$455, have been accepted by the Schoolcraft College Board of Trustees with thanks.

They include: Mrs. Jean Navarra, Plymouth, \$100 for the grant fund; \$50 from Dr. Ralph Luckett, Northville, for

the scholarship and loan fund; \$230 from the Schoolcraft English, Speech and Reading division for the scholarship and loan fund; \$25 from William D. Tyler, Northville, and Gaylord Smith, Detroit, for the endowment funds of the college to the Father Wojcik Memorial Scholarship.

## 3 SC Locks Are Changed 4 At SC

Permission to change the lock system in three college buildings was given the Schoolcraft College administration by the board of trustees.

The administration requested the change, at a cost of \$1,500, for security reasons. Although no thefts have been reported, the administration was notified by security officers that the three buildings had been entered at night.

"We feel it necessary to change the locks," said Vice President W. Kenneth Lindner.

## Get Leaves

Faculty leaves for three instructors were approved by the Schoolcraft College Board of Trustees on recommendation of President Eric Bradner.

Approvals were given to: Mrs. Margaret Chandler, nursing division, from Feb. 4 through Dec. 31, 1971; Robert Holtzman, foreign languages, a sabbatical leave from Aug. 23, 1971 to April 28, 1972; and Zigmund Pulczynski, drafting instructor, for health reasons from Feb. 4 through June 1, 1971.
