Mercy High is re-accredited

North Central Association has extended accreditation for Farmington Hills Mercy High School for the 1989-90 school year, according to principal Sister Regina Marie Doelker.

Mercy was last evaluated in 1984. Each NCA school must undergo comprehensive self-study followed by an NCA team visit every seven

years. In the interim years, a school is accredited on the basis of its report on conditions in the school, and on other information as North Central requests.

"This continued accreditation means that the conditions for effective education exist in the school," Sister Regina Marie said.

YOU'RE UNFORGETTABLE. BUT IF WE FORGOT YOU...

We recently sent invitations to our friends to join us for the celebration of our 79th Anniversary, a very happy time for us and the year's biggest savings event for our customers.

As thorough as we tried to be with our mailing, we know there's the possibility that we missed some people who would like to come by for a delicious hors d'oeuvre, or a tasty piece of jewelry, or a visit with old friends. If we missed you, please let us know.

Call us, fax us, drive up to our door and rush right in. We'll see to it that you get your very own Krandall Anniversary Certificate. It's worth \$79 toward the purchase of jewelry already sale-priced at \$150.00 or more, plus an additional \$79 savings for each \$1,000.00 of your purchase.

What's on sale, you ask?
Everything.
Isn't that easy to remember?
