

Your Nearby Guaranty Federal Branch Is Now Your Nearby NBD Branch

Effective last Friday, April 27, 1990, NBD purchased New Guaranty Federal Savings & Loan. Now, your former Guaranty Federal office is a full-service NBD branch. Your deposits are backed by the security of Michigan's largest bank. And fully insured by the F.D.I.C., up to \$100,000.

Can I open NBD accounts at my Guaranty Federal Branch?

Yes, you can. You can now take advantage of a full range of banking services at competitive prices. Come in to your former Guaranty Federal branch and ask us. We'll be glad to assist you in any way possible.

Who do I go to for more information?

There's an NBD branch representative in each former Guaranty Federal office right now. He or she will be there during normal business hours to answer any questions or help you with any banking problems you may have. Of course you can phone us at the number listed below if that is more convenient.

How will my present accounts be affected?

NBD will continue to service your Guaranty Federal accounts without disruption. Your savings and checking accounts will be handled as in the past. Loan and mortgage payments will continue to be made the same way. You can mail them to the same address as always or bring them in to your former Guaranty Federal branch. Your payment checks should now be made payable to NBD.

At NBD, we want to do whatever we can to make your banking more convenient and efficient. We're glad to have you as a customer. And we're delighted to serve your community.
