

# 7 of 34 stores ticketed in liquor sting

Continued from Page 1

and ticketed Market Basket, 32654 Franklin Road, Franklin.

The Farmington Hills Police Department uses undercover cadets younger than 21, the state legal drinking age, who do not carry identification and who try to buy alcoholic beverages. The cadets in Friday's undercover sting were a man and a woman each 19 years old.

As in past stings, police cited stores under both state and local liquor laws. Even though no licensee

was personally cited, a report on their license violation will be sent to the Michigan Liquor Control Commission (MLCC). Employees are cited under city ordinance, which will be handled in the 47th District Court in Farmington.

First-offense tickets issued to sellers of alcohol to minors represent a misdemeanor punishable under local ordinance by up to 90 days in jail and a \$500 fine. The MLCC can levy fines of up to \$1,000 against licensees who violate state liquor laws.

In the last four years, Farmington Hills has had a tragedy-free high school graduation season. "We've had less-serious accidents and no fatalities in the last four years as a result of graduation and alcohol possession," Dwyer said.

BUT BETTY Nicolay, who chairs Farmington Families in Action and who is a member of the police department's citizens crime prevention advisory board, believes teen drinking is still a problem and one in which parents should become involved.

"I still think there's a lot of drinking going on with proms and graduations. Parental influence is still lacking. We're asking kids to say no and yet we, as parents, aren't always willing to."

Nicolay said she still hears of parents hosting parties where alcohol is served and renting hotel/motel rooms for their teens' parties. "It's not just kids who should say no."

These 27 businesses also were visited in Friday's undercover sweep, but did not sell alcohol to the police cadets who came calling and were not ticketed.
