Searching for clues

Students in advanced eighth grade Language Arts classes at Power Middle School in Farmington Hills searched for two mystery cities as part of a spring project with teacher Marie Portis and gifted coordinator Barbara Rebbeck. Students first assembled an Artifact Box with 25 clues about Farmington, then exchanged clue boxes with the mystery city and began deciphering the

clues. Here, Andy Wayne (left) and Amir Baghdadchi pore over a regional map to hunt down another clue. The mystery cities were eventually uncovered by students and turned out to be Grand Junction, Colo., and Lancaster, Ky. This national project is sponsored annually by the University of Connecticut.

FOOD LOVER'S DIET

To introduce a new approach to dieting, free diet pills were given to 50 people. With The Omicron Diet, one man lost 14 pounds in 5 days and one woman lost 18 pounds in 10 days. The average weight loss was over a pound a day for women and over 2 pounds a day for men. The Omicron Diet is a revolutionary new concept for unbelievably fast weight loss developed and clinically proven by National Dietary Research of Washington, D.C. This significant breakthrough in metabolic weight control was made possible by the utilization of biological information overlooked by other diet programs. With a formulation of natural enzymes along with real food, you shed unwanted pounds extremely rapidly and safely.

IN A SMALL TOWN IN VERMONT CONCERNED CRAFTSMEN STILL MAKE THE STUFF DREAMS ARE MADE OF

Even though we travel all over the world to bring home the best values and most innovative designs, we're delighted when we find exactly what we've been looking for right in our own backyard. The case in point here, a superbly crafted contemporary bedroom made in a small Vermont factory, solidly built to last not for years—but for generations. The workers start with a solid hardwood inner frame, then they finish each piece with details such as sturdy, generously sized wood drawers that slide smoothly on nylon and steel glides. All pieces are stocked in oak. Most pieces may be ordered in teak or white melamine at slightly higher prices. Our American bedroom. It is the finest we have ever sold.
