NSU 1200

This car is one of the most powerful, safest and sturdiest of its class. The power is obtained from its 74 HP air-cooled rear engine with overhead camshaft and hemi heads. The safety from its powerful acceleration, (from 0-50 M.P.H. in 9.4 seconds), the well designed chassis, the excellent all-round visibility combine driving comfort with dependability. Coming soon with a new automatic transmission. Available in automatic, stick shift.
