September 30 through October 6

By C.C. Clark

LIBRA (Sept. 23-Oct. 22)
Don't shy away from the unexpected. Your dreams may come true if you listen to those trying to help. Stay calm and you will do fine.

SCORPIO (Oct. 23-Nov. 21)
Serious thought about a specific situation will result in different options. Follow your instincts and you can't go wrong. Plan for the future.

SAGITTARIUS (Nov. 22-Dec. 21)
Romance is in the air, and you're ready for whatever comes your way. A phone call could bring about the changes you have been hoping for.

CAPRICORN (Dec. 22-Jan. 19)
Don't be so obstinate with family members. They continually forgive your stubbornness, but they may have had just enough to last a lifetime.

AQUARIUS (Jan. 20-Feb. 18)
Always looking out for No. 1 isn't in your best interest. Look at those close to you and give them the attention they need and deserve.

PISCES (Feb. 19-March 20)
Things seem crazy and sometimes you wonder if it is going to end. It will; and with some interesting results. A loved one comes through for you.

ARIES (March 21-April 19)
Family and career concerns will need equal attention. You will be put in the position of peacemaker for both family and co-workers.

TAURUS (April 20-May 20)
Communication and travel sectors are strong. A short weekend trip will revive your perspective. Be fair in disagreements with family members.

GEMINI (May 21-June 20)
The domestic front could get you down, but don't let it. A hidden strength gets you through any situation. Communication is the key.

CANCER (June 21-July 22)
Talking over financial arrangements with an expert eases your mind and saves you money at the same time. Friends need your attention.

LEO (July 23-Aug. 22)
If you keep busy and stick to tasks at hand, you could avoid putting yourself in an awkward situation. You could make great changes in your life.

VIRGO (Aug. 23-Sept. 22)
You will feel a great sense of stability. Things have been crazy, but it has all been for a worthy cause. Now you can take time for yourself.
