October 21 through October 27

By C.C. Clark

SCORPIO (Oct. 23-Nov. 21)

Your romance sector seems a little off. Don't worry, this phase will soon pass. Use discretion when dealing with a loved one's quandaries.

SAGITTARIUS (Nov. 22-Dec. 21)

It is important for you to channel your creative energies in a productive and informative way. Don't gamble with your hard-earned finances.

CAPRICORN (Dec. 22-Jan. 19)

Look at the facts and know that you are your own best judge of character. This is a good time to party, but be wary of the opposite sex.

AQUARIUS (Jan. 20-Feb. 18)

Listening could quite possibly be the most important activity you participate in this week. Use others' ideas to make wise decisions.

PISCES (Feb. 19-March 20)

Family members could bring havoc into your love life. Of course, they don't realize what they are doing, and it is important you let them know.

ARIES (March 21-April 19)

Work plans move ahead on a smooth course. Friends appreciate your social graces in a sticky situation. A chance to improve becomes evident.

TAURUS (April 20-May 20)

A friend's indecision could cause pain for others. Talk to this person and tell them what they are doing. They really don't understand.

GEMINI (May 21-June 20)

Take matters into your own hands concerning family situations. Don't shy away from confrontations. Get your facts straight and then go for it.

CANCER (June 21-July 22)

Don't be overly critical of others. It seems easy to pick on those you love, but you must look at yourself to see where the real problems lie.

LEO (July 23-Aug. 22)

A change in plans is in store for this week, but don't let that throw you. You are ready for just about anything that comes your way.

VIRGO (Aug. 23-Sept. 22)

Present yourself well to superiors this week. They could be judging you for future projects and may be determining how well you could handle them.

LIBRA (Sept. 23-Oct. 22)

Keep your temper this week, no matter what obstacles you may face. Travel plans could inspire you to seek the happiness you deserve.
