It's not too early to begin thinking of Christmas, U.S. Post Office officials said.

Holiday gifts sent to military personnel stationed in the Middle East should be sent by Friday, Nov. 16, to assure timely delivery.

Packages sent to non-military personnel should also be sent early. Deadlines for First Class, Air Mail, Parcel Airmail of Space Available Mail can be obtained by calling local post offices.

Postal officials advise sending all overseas cards, gifts and other holiday mail as early as possible. Mail to military personnel is expected to create a backlog this year.

"With the military build up in Saudi Arabia, we're expecting a big strain to be placed on our mail transportation system worldwide," said Allen Kane, assistant postmaster general for delivery, distribution and transportation.

Cards and letters are sent Air Mail/Priority only and should be mailed by the first week of December.

PACKAGES SENT within the United States should be mailed by Friday, Dec. 7. Holiday letters mailed within the U.S. should be sent by Monday, Dec. 10.

The earliest date to send holiday

packages to U.S. troops stationed in the Middle East is Saturday, Nov. 3 for Space Available Mail.

Special instructions for Middle East mail are as follows:

- Send packages in a sturdy cardboard carton, cushion articles inside and seal the package with pressure-sensitive tape. Do not use plain brown wrapping paper, cord or string on the outside.

- Print the service member's name and address on the lower right portion of the package, one side only. Include name, rank, service number, military unit and APO or FPO address. Addresses should be available from the service member's base in

the U.S.

- Print your return address in the upper left hand corner of the package. Include the return address on a piece of paper inside the package as well.

- When selecting a gift, remember desert temperatures regularly exceed 100 degrees. Some items may also be banned by the Saudi govern-

ment for religious or cultural reasons.

- Popular items with U.S. troops traditionally include audio cassette tapes, newspaper clippings, chewing gum, hard candy.

- Be sure to attach a parcel post customs declaration form (Form 2956-A) to all packages. Forms are available at local post offices.

Men, if you're about to turn 18, it's time to register with Selective Service at any U.S. Post Office.

It's quick. It's easy. And it's the law.

Please Help A Neighbor's Child In Need!

In Third World countries, hundreds of thousands of children are in desperate need of food, clothing, medical care—the basics of life. These girls and boys are even denied the opportunity to attend school.

They are our neighbors in a world that grows smaller every day.

Through CCF, you can sponsor a neighbor's child. The cost is \$15 a month—just 60¢ a day—to help a poor child in Asia, Africa or Latin America—a child who has virtually nothing.

Please pick up your phone now and dial the toll-free number below. Be a good neighbor by helping an innocent child.
