If you go after a specific goal, there is a great chance you will achieve the desired results. A friend from a distance offers good news.

Relatives may cause problems, but you are ready for anything. Business affairs should take off nicely this week. You are in for a surprise at work.

ARIES (March 21-April 19)
A new person in your life could bring you prosperity. Paying attention to detail prevents chaos and long delays concerning finances.

TAURUS (April 20-May 20)

By C.C. Clark

GEMINI (May 21-June 20)
You may be attracted to one who opposes your way of doing things. They say opposites attract, and this may be the one for you. Be resourceful.

CANCER (June 21-July 22)
A time-consuming project will be completed, and you will discover a feeling of great satisfaction. Don't be so sensitive about your work.

LEO (July 23-Aug. 22)
If you've been thinking about dieting, it may be best to wait until after the holidays. You are strong, but there is no reason to push your luck.

VIRGO (Aug. 23-Sept. 22)
Follow your heart instead of your head. It's not always easy for Virgos to let go and have fun, but do it, if for no other reason than to relieve stress.

LIBRA (Sept. 23-Oct. 22)
You will receive good fortune from unusual sources this week. You will need to follow intuition to get you through a somewhat sticky situation.

SCORPIO (Oct. 23-Nov. 21)
Young people need your undivided attention. A great victory is to be won in the workplace, and friends will be proud of you.
