Pump Up The Crown is the hair style for coming season

Salon Kennice Bashar's artistic team is proud to present its "Pump Up The Crown Collection."

The rage of '80s inspired styles on fall and winter runways has not been limited solely to fashions, but rather topped off with the flair and unforgettable hair styles of the period, perfected with the '90s approach.

Hair news on the runways calls for lots of forward movement, crowns which are dressed high and head-bugging shapes. Head bands and wraps are once again the fashion fad, while wigs are returning as the option for quick, flexible and alternative styles.

Hair colors include deep, rich, dimensional shades appropriately named for the season, such as "Autumn Amber," "Copper Candy" and "Cinnamon Stick."

Salon Kennice Bashar is expanding to include a new, European Color Studio created to provide stylists and clients with the most advanced facilities for the ultimate in hair coloring.

With the emphasis on healthy, shiny hair, Salon Kennice Bashar exclusively offers the "European Color Gloss" treatments designed to enhance natural color by restoring the vibrancy and sheen that may have been lost to external elements. It also offers a number of European conditioning treatments, each one formulated to repair, smooth and strengthen tired hair.

"Pump Up The Crown Collection" has been made possible through the constant research, training and creativity of progressive team of stylists.

Stylists from Salon Kennice Bashar are available for photographic shoots, media events, fashion shows and hair consultations.

Salon Kennice Bashar is at 32512 Northwestern Highway. The phone number is 532-1122.
