

Kral leaves Oakland cable commission position

The Southwestern Oakland Cable Commission will bid goodbye to Administrative Assistant Judy Kral. Judy has been on staff at the commission since summer of 1983. She has decided to retire from her position to open a new chapter in her life.

We will all miss Judy. She has been an important part of our team. All the published material to promote Community Television has been either inspired and/or designed by Judy. Although her responsibilities were primarily to assist the executive director, Judy enjoyed enhancing her creative skills through materials which all came to enjoy.

One of the things which I have valued most about Judy has been her receptivity to learning new technology. This is such a valuable characteristic as most people allow the fear of the unknown keep them stuck in a rut. Not Judy.

She has also been the lovely voice of patience behind the phone. Most anyone who has called the Cable Commission office has spoken to Judy.

Judy, we thank you for being such an inspiration and we wish you many new and exciting Life Chapters to come.
