The Mathew Bolin family of Glenarden rent a cabin for the season to participate in the sport of sitz marks, stem christie and parallel skiing. The last storm found the folks snowed in for a week.

Better late than never.

Congratulations to a big bouquet of roses to Mrs. Tom Smith who gave birth to her 14th child on Jan. 30. The Tom Smith's reside in K-1 on Thorny Brae. This time it was a girl and she tipped the scales at eight pounds and was baptized "Kathleen Marie." Mother Smith even has time to be room mother.

His true when you need a job done, ask a busy person.

ARMY SP/4 Steven D. Sandbothy, who is stationed in Vietnam, received a state flag from our governor.

His folks received a letter from the governor and it reads as follows: "As a token of Michigan's appreciation for the patriotic job you are doing for your country, I am pleased to send you a Michigan flag. I hope this beautiful flag will help provide you with some fond memories of the people back home and remind you that we stand behind you completely in this fight for freedom."

Missed another congratulation to the February bunch. Dave Worpell who had a dou-

ble celebration. One was by

attending the Wooddale PTA pancake supper with his family and then home for ice cream and cake. Speaking of that pancake supper, 400 tickets were sold despite the bad weather. The youngest to attend was two-month-old son of Mr. and Mrs. Barry Peables of New Castle.

Just recently many friends and neighbors attended a bridal shower in honor of Lynn Pusatori, formerly of New Castle and now of Cleveland. This is a real love story. Lynn and John Mazurek, also from K-1 and Quail Hollow, went to NFHS together. John is in the Army now, stationed in Kentucky.

If Uncle Sam will cooperate, there will be a wedding come March 13. Attending the party were Ann Brennick, Betsy Maneck, and Peg Waggoner. The John Pusatori family drove in from their home in Ohio.

Friends and neighbors extend deepest sympathy to Mrs. Marian Spencer of Quail Hollow on the recent death of her father.
