

HOROSCOPE

December 23 through December 29

SAGITTARIUS (Nov. 22-Dec. 21)

It seems the more you love someone the more you argue. Understand this is just one of those times, and listen to what others are saying.

CAPRICORN (Dec. 22-Jan. 19)

Handling difficult problems at work is second nature for you, but you aren't always so lucky at home. Try taking on new domestic chores.

AQUARIUS (Jan. 20-Feb. 18)

If you are a parent, your children are going to have an exhausting effect on you. Lovers will find things a little more active this week.

PISCES (Feb. 19-March 20)

A Gemini may be important in resolving a conflict in your life. But if they ask you to do something crazy, use your best instincts.

ARIES (March 21-April 19)

A well-meaning friend can't wait to give you some romantic advice. It may be a little outdated. Smile, then forget what they told you.

TAURUS (April 20-May 20)

Get out of that stubborn mood. Taurus. You are just as sophisticated as the next person, so don't let insecurities interfere with weekend fun.

GEMINI (May 21-June 20)

A restless Gemini can get things done faster than anyone. Just use that energy in a positive way. The rewards from your work will be great.

CANCER (June 21-July 22)

Exercise may pull you out of this melancholy mood. Take a walk or simply clean house. You'll be surprised at the change in your attitude.

LEO (July 23-Aug. 22)

Money isn't your favorite thing to talk about now. There's no need to tell family members how wonderful you are; they already know!

VIRGO (Aug. 23-Sept. 22)

It seems some order may come into your life after all. Things have been crazy, but they should smooth out. Take advantage of this restful period.

LIBRA (Sept. 23-Oct. 22)

This is a time of great opportunity for Libras, and you can make the most of it by dealing with important details in an efficient manner.

SCORPIO (Oct. 23-Nov. 21)

Personal problems may get you down. Answers to your problems come from within. Self-improvement classes may do you good.
