LET'S DO GOOD THINGS IN THIS LAST DECADE OF THE CENTURY
Our brand new year had now begun. It's number 1991. And just nine years from now will be The turning of the century. The time has come to look ahead. Forget the past and then, instead, Decide which way we want to go. And let our good intentions show. We'll shut bad habits, help the poor. And make our future more secure. And with environmental plans. Recycle bottles, bags and cans. Our House of Worship we'll attend. While making sure we comprehend Its lessons, which we'll keep in sight. And thereby start the new year right. -Gloria Nowak
