

HOROSCOPE

January 6 through January 12

CAPRICORN (Dec. 22-Jan. 19)
Look closely at priorities. Now is the time to do things you have been putting off. Put your best foot forward regarding business.

AQUARIUS (Jan. 20-Feb. 18)
It is time to break from the past. Keep an open mind about a relationship that is being sorely tried. Just stop to think about things.

PISCES (Feb. 19-March 20)
Business matters should have high priority. A former mentor offers you much needed advice. Listen and make use of this valuable information.

ARIES (March 21-April 19)
This is the week for you to outshine all others in your business environment. Your week will be highlighted by much deserved recognition.

TAURUS (April 20-May 20)
Romance is highlighted. Problems at work tire you, but somehow in the commute home your energy will soar and you will feel refreshed.

GEMINI (May 21-June 20)
If you feel like singing in the rain, do it. Don't take life so seriously; enjoy the simple things around you. Your lucky number is 4.

CANCER (June 21-July 22)
Trying to make a loved one jealous will only backfire on you. Instead, openly discuss what is troubling you about your relationship.

LEO (July 23-Aug. 22)
Hearth and home keep you busy. A relative could cause problems in an already sagging relationship. Take charge of the situation.

VIRGO (Aug. 23-Sept. 22)
If you happen to find some free time, use it to relax and reminisce. An older family member will appreciate a short visit. Organize priorities.

LIBRA (Sept. 23-Oct. 22)
Put a hold on accepting new obligations; you're needed most at home. A change at work is imminent. Don't settle for less than you think you deserve.

SCORPIO (Oct. 23-Nov. 21)
If you haven't been invited to a party, plan one of your own. This is a great time to build useful business contacts for future reference.

SAGITTARIUS (Nov. 22-Dec. 21)
Restrictions placed on you recently will lessen in severity. Try to understand the rules and avoid these hassles in the future.
