

HOROSCOPE

January 27 through February 2

AQUARIUS (Jan. 20-Feb. 18)
Don't ignore a nagging health complaint. If you are not feeling up to par, there is probably a good reason why. Loved ones surprise you.

PISCES (Feb. 19-March 20)
Accept your loved one's limitations, and you are on your way to a wonderful romance. Don't push things, but don't sit idly by either.

ARIES (March 21-April 19)
It is sometimes difficult for you to pass on certain responsibilities, but in some cases it is a necessity. Don't take things too lightly.

TAURUS (April 20-May 20)
Emotional stress can get you down. Just remember you've been through worse times, and you are a trooper. Good times are around the corner.

GEMINI (May 21-June 20)
It's easy to diversify if you are open to change, but sometimes you should simply relax. Although you can do it all, now you just need rest.

CANCER (June 21-July 22)
It may seem the sacrifices you made last year were all for nothing, but it isn't true. You'll soon see how well things are going to work out.

Sometimes it is best to leave the past behind and start from scratch. Keep in mind you are only limited by what you think you cannot do.

SAGITTARIUS (Nov. 22-Dec. 21)

Be careful when making accusations, especially at work. If someone has been taking advantage of you, tactfully let them know.
