CC gridder decides

naturara joins CC teaimnate Gary Gurgold, who last week signed with Northwood, an independent team that is affiliated with the National Association of Intercollegiate Athletics.

Barbara, who gained 788 yards and scored 14 touchdowns last fall for the Class AA state champion Shamcocks, turned down scholarship offers from Ferris State, Wayne State and St. Joe's College (Indinal). He also had opportunities to walk on at Western Michigan, Eastern Michigan, Michigan State, Toledo and Bowling Green.

Northwood is located in Midland, about a half hour northwest of Saginaw. "I had a lot of chances to walk on, but Nortiwood was a lot like CC in many different ways," Barbara said. "I really liked the coaching staff, the people and maybe an impact and let people know I e in play football. Walking on at a Division I school doesn't guarantee anything.

Fullback Larry Williams, who has one year of cligibility left, has led Northwood in rushing the last two years — and that fact also intrigued Barbara.
