I support the United States government in any and all it decides to do. My complaint is with the broadcast channels. Why can't presumption be on a rotating basis so that we can have a break from these tragic events? A truthful and informative interpretation could be tolerated. —R. J. Minor

Dear Candace: I am very disappointed that *Generations* is off the air. I am one of the viewers who has watched from the beginning. The one complaint I had while it doesn't matter now was the selection of Dorothy Larian as Rebecca. Patricia Crowley was much better and was without the sneering looks of contempt that the new Rebecca had. She used to call her daughter Sam, the new one called her Stephanie, complete with "I am superior to" tone.

On Santa Barbara, I agree with one reader regarding the Keith Ensigns storyline. He is a loudmouth and allows his fiancée to be privy to the business of the D.A.'s office. What is with the writers?

Also Gordon Thompson as Mayor
and doesn't call it poetry, fellow
citizens

On *Days of Our Lives*, when is the doctor on Kim's maternity case going to toss up and tell Shane that the baby is his? Many thanks for a good column.

Dear Marion: You can be sure there are some big surprises in store for Shane and Kimberly in the very near future. Also, I must agree with your comments about Thompson. He is a good actor, but he just doesn't have the chemistry for the chair yet. Best,
Mayon
