"I diet all the time.
Why am I still
overweight?"

Dieting alone won't help you take weight off and keep it off.

Providence's NEW DIRECTION® Weight Management Program can.

It's a weight control system with everything you need to lose weight. It begins with medically supervised, safe, rapid weight loss and nutrition education. These are combined with behavior modification and physical activity to help keep weight off.

So if you have at least 30 pounds to lose and want a medically supervised program, come to Providence's NEW DIRECTION Weight Management Program.
