THE BUILDERS show has come to be recognized as the premier "fix-up, spruce-up" show in the nation. Attendees are often treated to demonstrations of products and services that are brand new to the industry.

For example, this year's show will include a demonstration of concrete pumping. If a patio or sidewalk starts to fall apart, sand can be pumped under it providing a permanent, convenient fix in about two hours, without having to replace the concrete.

As always, the do-it-yourself handyperson will find a variety of "how-to" workshops and demonstrations at the builders show.

More than 500,000 people are expected to attend the nine-day builders show. Hours are from 1-10:30 p.m. weekdays, 10 a.m. to 10:30 p.m. Saturdays and from 10 a.m. to 9 p.m. Sundays.
