LET'S FACE IT...

We Know Time is Important to You, so...

RUSH NO MORE!

Now you can place, change or cancel your classified Ad 24 HOURS A DAY in the Observer & Eccentric

No, we didn't change our deadlines, we didn't even bend them, they're still the same* - we did something a whole lot better.

We installed an electronic answering system that's on the job 24 hours a day, every day.

Here's how it works:

First, you must have a touch-tone telephone.

Then, all you do is call us -remember, it doesn't make any difference if we're not here - to place an ad, cancel one or change something on one you've placed earlier.

Let's say it's three o'clock in the morning and you've just sat straight up in bed remembering that you forgot to place that classified ad for your snowmobile. No problem. Just punch up our classified number and wait for the operator to guide you through the steps for changing your ad. Have in mind the exact information you want to give us, speak clearly and a bit slower than you usually do. And that's it. If it's after 5:00 p.m. on Tuesday, your changes will be made for the next Monday paper. Or, if it's after 5:00 p.m. on a Friday or the weekend, your changes will hit the Thursday papers. Pretty neat, huh? of course, our Classified Ad Takers are here every Monday through Friday from 8:00 a.m. until 5:30 p.m. But now, if you miss them, you can still do something about your ad - at your convenience.

Deadlines* *For placing, cancelling or correcting line ads:* **Monday issue: 5:00 p.m. Friday**
Thursday issue: 5:00 p.m. Tuesday
