

HOROSCOPE

March 31 through April 6

ARIES (March 21-April 19)
This is a busy week for you, especially at work or school. Try to keep a level head. Clarify details that could cause problems later on.

TAURUS (April 20-May 20)
A friend or relative who makes you happy will visit soon. Look your best, as you may gain a new relationship or rekindle an old flame.

GEMINI (May 21-June 20)
This should be a week of relaxation for Gemini. Take time away from things that give you stress. Sit back and take it easy; you deserve it.

CANCER (June 21-July 22)
Straighten out loose ends, especially when dealing with finances. Check details closely and you may find extra cash you didn't know you had.

LEO (July 23-Aug. 22)
This is an exciting week for lucky Leo. Things may seem crazy, but even the madness will be fun. Share time with special friends and loved ones.

VIRGO (Aug. 23-Sept. 22)
Don't let loved ones be critical of you. They probably don't realize the pressure you're under. Explain things calmly and they will understand.

LIBRA (Sept. 23-Oct. 22)
Celebrate with friends this week, but don't undertake the burden of making sure everyone has a good time. Let others organize the activities.

SCORPIO (Oct. 23-Nov. 21)
Be affectionate toward loved ones; they need your undivided attention. You will feel good by helping others make a better life for themselves.

SAGITTARIUS (Nov. 22-Dec. 21)
Things that wouldn't normally upset you probably will this week. Avoid gossip. The conversation may make you uncomfortable.

CAPRICORN (Dec. 22-Jan. 19)
Whatever happens this week, don't take out your frustrations on loved ones. Making these people angry will only cause more headaches.

AQUARIUS (Jan. 20-Feb. 18)
It is time for a change, and you are ready for whatever might come your way. A friend may offer advice, but it is best to follow your intuition.

PISCES (Feb. 19-March 20)
It is important for Pisces to stay away from making hasty decisions. Don't overlook an important domestic detail.
