Books for blind

The Farmington 8 Lions Club last week presented \$700 worth of braille books to vision impaired and bilind students attending Hall Elementary in Livonia. The club donated the books to the special education program of Livonia Public Schools through proceeds from the White Cane cannister drive held. After the books were donated Thursday, Carl Wagner (left) and Diane Luty, vice president of the Farmingoin 8 Lions Club, read to the Farmingoin 8 Lions Club, read from one of his favorites — "Hang Tough" by Alfred Sloate.

Career seminar slated at FHS

A career seminar for students in grades 4-8 and their parents is scheduled for this Thursday, April 18, from 6:30-8:45 p.m. at Farming-ton Mich School

ton High School.

Called "Choices for the 21st Century: A seminar on careers," the session is designed to encourage students to study math, science and computers and consider these areas when looking at careers.

The event is co-sponsored by the Farmington Branch of the American Association of University Women and the Farmington Public Schools Career Development Department.

Some of the seminar highlights include: on High School. Called "Choices for the 21st Centu

• Keynote speaker Dr. Anne L.

Keynote speaker Dr. Anne L. Bryant, executive director of the National AAUW, who will discuss a self-esteem study done by the group.
 Panels of counselors discussing the "The Role of the Counselor and Parent Strategles" with parents of students in grades 4-5 and 6-8, in two separate sessions. Also for parents, will be a presentation by Dr. David Housel, an Oakland Schools consultivities.

Proceeds from the seminar have allowed the AAUW to offer the Makinen Scholarship.

ant, who will discuss the intermediate school district's plans for a specialized school for talented math, science and computer students.

Students in grades 4 and 5 will be given a choice of three professional speakers who have careers in science/nutrillon, engineering, computers, math and medicine.

Students in grades 6, 7 and 8 will have a choice of three profes-sional speakers who have careers in: architecture, engineering, comput-ers, dentistry and banking/financial

ers, dentistry and comments exercices.

Students and parents interested in the program can fill out a pre-registration form at their school office by tomorrow, April 16, or can register

at the door. Organizers are asking for a \$3 donation per family which will go to the AAUW Scholarship Pund.

For the past five years, proceeds from the seminar have allowed the ship to deserving attachets. It offers solected students summer career exploration or enrichment programs related to science and math. Last year, four students were awarded scholarships.

To be eligible, a students must be in grades 6, 7 or 8. Scholarships.

To be eligible, a students must be in grades 6, 7 or 8. Scholarship applications will be in parents packets at the April 18 seminar or are available at local schools.

The scholarship is named for for-

at local schools.

The scholarship is named for former Farmington school board trustee and AAUW member Emma Makinen, through whose ideas and efforts this annual seminar has become a reality.

For information on the scholarship, contact Phyllis Curmmings at 476-4735.

FUND-RAISING
 Students In Mary Jo McNamara's seventh grade classes at Beahan Junior High, a Catholic school in Farmington, helps her students put helf ralith into action.

Her students help out at soup titches, visit nursing homes and collect food and clothes for the homeless.

collect food and clothes for the bomeless.

They are currently conducting a fund-raising drive to raise \$500 to benefit the Ronald McDonald House. The facility offers room and board, at little or no cost, to those parent with the request overnight body to the property of the con-traction of the cost of the cost of the driver.

While experts are pondering how to deal with the Persian Gulf oil spill, fourth graders from High-meadow Common Campus elementary are coming up with solutions.

During their unit on oceans, the students conducted experiments to determine the best way to clean up oil spills. They designed machines to clean up concentrated, as well as scattered, oil spills.

As a culmination to this unit, a U.S. Coast Guard representative came to speak to students.

● WRITING WINNER

Fantasies," is one of 15 entries to be
reviewed in the national competi-

tion. Winners were selected from more than 22,000 entries.

ESSAY WINNERS
 Three students from O.E. Dunckel
Middle School in Farmington Hills
were named local winners in the
22nd annual America & Me Essay
Contest, sponsored by Farm Bureau
Lengueze.

Insurance.
The three students are Ryan Marler, first, Katie Kwapisz, second; and Kathery Rudman, Inird. All three received award certificates.
As the schools first-place winner, Marker's name will also be engraved on a plaque for permanent display at the school. That essay will now advance to state competition.
The topic of the 1990-91 contest was "How I Will Help Preserve America."

EAGLE COLLECTION

Eagle students and staff have been collecting materials and supplies for troops still stationed in the Perstan Gulf. Even though the war tower, the school believes the troops will need continued support during the transition.

U.S. Air Force representative picked up donated items from the school, which included games, sports equipment, health items and reading and writing materials.

writing materials.

• PRIDE THEME

PRIDE THEME
Pride In Iving in the U.S.A. and hope for lasting peace were the themes when Larkshire Elementary students took part in "I'm Proud to Be An American" day March 8. Staff and students wore red, white and blue clothing, and Larkshire's PTA supplied yellow ribbons for everyone to wear. Several students read letters they have received from servicemen and servicewomen statement in the Persian Guil. Students assembled to sing several patriotic songs.

● ECOLOGY CLUB

An Ecology Club at Thomas Beahan Junior High School are planning to use a \$250 grant from Detroit Edison to buy recycling bins and plant a tree. Students and staff planto gather paper and foam products.

plant a tree. Students and staff plan to gather paper and foam products for recycling. Students Courtney Cahlll, Kathryn Demski, Michael Hoard, Heather Jonna, Jessica Mainar and Eileen O'Connell started the club.

. SENIOR CARDS

SENIOR CARDS
Special cards will be distributed to, seniors in the Farmington area in the near future, allowing those residents into all school events at no charge, Farmington school superintendent Michael Flanagan said during a recent State of the Cities, breakfast.

He said the district will make the cards available at locations throughout the area.

● BODY STUDY

Slxth graders in Bette Buckier's class at Warner Middle School workhelf tessons proudly on their chests.

After completing a unit on the lluman Body, the students designed seven different-shirts depicture various body parts including hearts, eyes, and ears. "They either hand-painted the ltem, or traced it" onto the shirt, Buckler said. "I always look for something to make the unit fun."

SHOULDER INJECTION

There is more to injecting the shoulder than placing the node where the shoulder hursts the shoulder hursts the shoulder hursts. The shoulder hursts the shoulder hursts are the shoulder hursts at an ampet of muscles which overlap each part hursts all a number of muscles which overlap each part hurst slowing fine control of arm motion. This arrangement also permits an faramed muscle to rest and lets a nearby muscle take over. This substitution works well when the detiod acts for the supraspinatus muscle cannel. The inflammed supraspinatus does not had quackly then the defloid carrier.

is.

result is that you may hurt down the arm, where the deltoid anchors, when
use of the problem is in the supraspinatus muscle, which inserts on the
ter. Placing an injection into the sore deltoid won't help restore the injured

reaspinates.

and the second injection into the shoulder takes more skill then would seem the case, closed, mixtoes are dose together, and a small error in judgment may result in a number of the second injection and in the second injection in the second injection in requires a long needle and accurate placement for each the joint, hysicians are trained in the sublicities of the procedure, but patients frequently surprised now the action differs from what they envisioned.
