The Farmington Community Center has already become a fixture in the community with young, middle-aged and senior citizens enjoying a large variety of activities. Those who enjoyed the Max Davey outdoor concerts at the Center, who enrolled for the many self-improvement classes, whose clubs meet in the Center, or those who may have held a wedding reception at the Center, are now urged to contribute financial support. The Center is not tax-supported and depends entirely for operation upon your check which can be mailed to the Farmington Community Center, 24705 Farmington Rd., Farmington, Mich., 48024.
