

Area team loaded with stars

Continued from Page 1

powerful shots around. "Her goals were basically all the same," said Hussey. "She set it up 20-25 yards out and just cracked it."

Cutie often, it ended up in the net. Godlewski scored 13 goals. "She's lethal," her coach added. "In every play-off game, she scored in the first five minutes. I've never seen that."

She was equally effective on defense. "In back, as a sweeper, she doesn't get beat," Hussey said. "Let's just say a tremendous athlete. She's fast, she's not intimidated at all, and she's always under control."

Lori Place Churchill

Amy Krajewski Salem

Patty Shea Franklin

Lori Godlewski Stevenson

Gwen Gibblish Salem

All-Area 1st team

Patty Shea, junior midfielder, Livonia Franklin: Shea provided a bit of everything for the Patriots — once again. Franklin has been enough to compete for championships in most of the state's conferences, but in the WLLA the Patriots managed just a 4-8-2 regular-season record. Without Shea, it certainly would have been worse.

She scored 14 goals and assisted on nine others in her third season as a starter. Shea served a team co-captain and for the second year was all-WLLA and all-Observer, she was a second team all-state selection.

"Patty is a hard-working player who never gives up," said her coach, Joe Galea. "She is a leader and a great competitor. She has a tremendous shot and ability to set up plays with her talent and ability."

Amy Krajewski, senior midfielder, Plymouth Salem: One of the few seniors on Salem's team, Krajewski will be difficult to replace. An all-WLLA and all-region pick, she shared with Gibblish team MVP and co-captain honors.

Krajewski scored four goals and had 10 assists in her career. She collected 28 goals and 36 assists.

"Amy has been a solid part of the center of our team for two years," said Johnson. "She is very strong and fit, with an excellent work rate. She was noted around the league for her terrifically long throw, which put a lot of pressure on defenses. "She will be missed."

Kathryn Dudley, senior forward, Farmington Hills Mercy: A team captain, Dudley was a main reason for the Patriots' success this season, which included a Catholic League championship, a state district title and a 16-3-2 record. She scored 23 goals and assisted on 17 others. Good reasons why she was selected to the all-Catholic League team.

"Speed, sheer determination, courage and strength — these are words that describe Dudley's performance," said Mercy coach Deepak Shivaram.

Sue Gibson, junior forward, Farmington: Not much has escaped Gibson on the soccer field. In all three of her years as a Falcon, she has not just started, but been named all-Observer and all-region. The last two seasons, Gibson has been all-Lakes Division, and this year she was named first team all-WLLA and all-state, as well as Farmington's MVP.

She deserved the honors. Gibson took 59 shots on goal and scored 17 times; she also had 10 assists. And she didn't just play forward.

"She has been a three-year starter (34 career goals, 24 assists) and has been a major contributor to our program's success," said Falcon coach Cathy Kinsman. "She has the offensive flare and skill to take on and beat any opponent."

And Sue is such a fine athlete that when asked to fill in at any position, not only does she do well but she can master that position. She will be a player to watch next year."

Lori Place, senior forward, Livonia Churchill: Place leaves Churchill as the third-leading scorer in school history (47 goals, 29 assists in her career). This season, she netted 13 goals and had eight assists, and she will continue to play for O'Shea this fall — at Schoolcraft College.

A four-year starter, Place, the team's captain, was named all-WLLA and was honorable mention all-state.

"Lori is a very consistent player who always plays well," said O'Shea coach. "She doesn't score in a game, she opens up opportunities for her teammates. And she is one of the best at playing with her back to the goal."

"Lori has an extremely hard shot and used it to score some brilliant goals for Churchill."

Erin Harvey, senior forward, Plymouth Salem: In a way, Harvey was a reason Salem didn't win the state championship.

The highly productive striker (53 goals in three seasons) had pumped in 24 goals in 10 games, but injured her knee and hardly played the rest of the season — including most of the state tournament. She also had 11 assists, and was named all-Lakes Division.

"Erin has been a stalwart on Salem's front line for three years," said Johnson. "This year, she really took over the scoring with great dribbling and shooting."

"If she had been playing in the state tournament, I think we would have gone all the way."

New system to simplify scoring

FIRST CAME the pin boys, manually setting the pins back up on the dots.

Then came the automatic pin-setters, which probably did more to revolutionize bowling than any time ever before.

Next was the electronic scorekeeper, viewed by bowlers overhead with scores accurately displayed.

And now the latest in advanced technology — the AS-90 automatic scorer from Brunswick. The newest, in a long line of scorekeepers, was installed recently at Woodland Lanes in Livonia.

Tom Winkel, co-proprietor at Woodland, was delighted with the installation, anxious to show off the new features to me.

In addition to the capability of "3-2-p" scoring, this unit can also do a 3-6-p system if need.

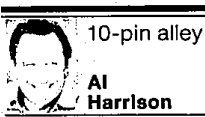

Is Hebra Espanol?

The AS-90 is programmable by the user to do it all in Spanish, as well as English.

Field training instructor Tom Reinhold, of Brunswick Corp., was on hand at Woodland to explain the system.

"With the new CCD camera instead of the older 'Scanners,' scoring is more accurate and the system itself more reliable," Reinhold said. "This is really state-of-the-art for bowling equipment of the '90s."

Woodland manager Mike Smart was somewhat apprehensive at first, but now has joined in the overall enthusiasm regarding this installation.

10-pin alley

Al Harrison

It can even provide automatic league record-keeping.

Any high school Spanish teachers around?

Send a student to the bowling center with the AS-90 and let them bowl in Spanish. It gives them a way to practice and learn their language, while having fun at the same time.

• Recommended reading: The current issue of Bowling Magazine (published by the American Bowling Congress).

The June/July '91 (page 12) features an in-depth interview on bowling with Cuba's Fidel Castro.

As you may already know, Cuba will host the Pan American Games in August with bowling as one of the competitive events.

The Cubans had to hurry and build a bowling facility since there weren't any in existence anywhere on the island. A very interesting article.

Another piece written about the "System of Bowling" is also between these pages. It covers the Women's International Bowling Congress annual meeting, which is the governing body for all women bowlers. They endorse this system in concert with the ABC Convention.

Along with this action, the WIBC agreed to a joint rule book as proposed by the ABC.

These historic programs will be in effect with the start of the 1991-92 season.

Also, a few interesting items from the pages of Bowling Magazine:

For 27 years, the highest recorded triplicate was 279-279-279. This was topped in February by the 280-280-280 in California.

Papa John is still going strong at age 103, while John Venturolo, the oldest league competitor, has appeared on the Johnny Carson Show.

Did you know that father and son bowling identical 300s has occurred 36 times since bowling records have been recorded in this country?

• Plum Hollow Lanes in Southfield will be the site of the "Automobile Dealerships Bowling for D.A.R.E. (Drug Awareness, Rehabilitation and Education)," which starts at 7 p.m. Friday, June 28.

Among the dealerships participating in the event: Tamaroff Buick-Honda-Tsuz-Yugo, Star Lincoln/Mercury, Southfield Jeep-Eagle, Avia Ford, Page Toyota and Art Moran Pontiac-GMC. The participants will be from the sales and service staffs. Stop by at any of these auto dealers and pledge \$5 or more to help teach kids how to "Say No to Drugs."

• Every day is "Kids Day" at Plum Hollow (located at Nine Mile and Falmouth Road). It is \$1 per game for all kids 15 and under (includes shoe rental).

Months between five or more children will get to bowl free. Kids Day began June 18 (bumper lanes also available).

• The Greater Detroit Bowling Association has named its 1090-91 All-City team.

Bob Chamberlain of Auburn Hills ranks as captain with a total of 74 points. The first team also includes Doug Spicer, Steve Murningham, Mike Clemence and Mitch Jabonicki.

The second team includes Westland's David Mahas and Southfield's Ken Wyatt.

• The Detroit Women's Bowling Association also named their first All-City team, led by captain Jeanne Gebbia. Rounding out the squad is Dina Mann-Jones, Sandra Ferris, Alicia Sill (formerly of Garden City) and Kathy Haislip.

The second team is made up of Gloria Pagar, Marilyn Lucke, Cheryl Daniels, Betty Trimmer and Paula Meyer.

Points are earned by the records in city tournaments, state events, ABC/WIBC competition, along with the number of honor scores (300, 299 and 298 games), series of 800 or more, added in with league averages over 200.

A Man's Gotta Do

What A Man's Gotta Do

All young men have one responsibility in common. They have to register with Selective Service within 30 days of their 18th birthday. All it takes is five minutes at any post office to fill out a simple form. So if you know a young man about to turn 18, remind him to register. It's one of those things he's got to do.

Register with Selective Service

It's quick. It's easy. And it's the law.

A public service message of this publication and Selective Service System.

CITY OF FARMINGTON 1991 SUMMER TAX PUBLIC NOTICE

The City of Farmington Summer 1991 Property Tax Statements are payable from July 1, 1991 through August 31, 1991 without penalty. A penalty added on September 1, 1991.

Treasurer's Office will be open for payment of Taxes from 8:30 a.m. to 5:30 p.m. Monday through Friday with the following exception:

Thursday, July 4, 1991 CLOSED ALL DAY

For taxpayers' convenience there is a depository located in the City Hall lobby for after hour payments.

Applications for deferment of 1991 taxes will be available at the City of Farmington Treasurer's Office. If your income for 1990 did not exceed \$20,000 and you are a paraplegic, quadriplegic, senior citizen, eligible serviceman, eligible widow, blind, or totally or permanently disabled, your application must be filed with the City of Farmington Treasurer's Office not later than September 14, 1991. Summer taxes that are deferred may be paid without penalty until February 28, 1992.

By law, if the last day for payment falls on a Saturday, Sunday, or legal holiday, the day is extended to include the next day which is not a Saturday, Sunday, or legal holiday.
