No. As to your first question, Catholics may be buried in non-Catholic cemeteries. Some of these have "set aside" a section for Catholics. But most Catholics prefer a Catholic cemetery in which all the ground has been blessed by a Bishop and where families of the same faith may visit the dead in a Catholic setting. For instance, Resurrection Cemetery features Stations of the Cross and

chapels on its beautiful grounds.

Are there non-Catholics in our cemeteries? Of course...because we welcome every member of a Catholic family. Lower rates on family sites are offered at both Resurrection and All Saints. We also offer time payments, accept credit cards and will refund the purchase price on unused graves if you should move away or change your mind. For more information about any of our Catholic cemeteries, coll 286-9020.
