July 28 through August 3

LEO (July 23 - Aug. 22)

It seems you are looking at your life from the outside, rather than living it. You say things you don't mean, then can't figure out how to rectify the situation. Follow your instincts.

VIRGO (Aug. 23 - Sept. 22)

You will be happy with loved ones this week. Even when you are knocked off your feet, you'll come up swinging because of your family's support.

LIBRA (Sept. 23 - Oct. 22)

Your work environment get you down, things will get better soon. Turn what little energy you have toward making a positive change in your life.

SCORPIO (Oct. 23 - Nov. 21)

It's important you get plenty of rest this week so you can party on the weekend. You might meet the person of your dreams.

SAGITTARIUS (Nov. 22 - Dec. 21)

A new person will cause profound changes. An argument with this person will give you new insights.

CAPRICORN (Dec. 22 - Jan. 19)

Don't lose your cool when dealing with difficult people this weekend. They are trying to get under your skin, so don't give them the satisfaction.

By C.C. Clark

AQUARIUS (Jan. 20 - Feb. 18)

Try not to draw attention to yourself. Others will abuse your time they can. Listen carefully when being instructed on a new project.

PISCES (Feb. 19 - March 20)

Don't let anyone threaten you. You don't deserve that kind of treatment. You may make a mistake, but it is an honest one.

ARIES (March 21 - April 19)

Don't worry about someone saying no to you, especially if the comment comes from an authority figure. Someone else may know what is best.

TAURUS (April 20 - May 20)

An important assignment will have you running in all directions. You may want to run away. Resist temptation.

GEMINI (May 21 - June 20)

You may get into a philosophical argument with a loved one. Keep an open mind and remember they have as much right to their opinion as you do to yours.

CANCER (June 21 - July 22)

Your love life might just take a turn for the better this week. You will also feel closer to estranged family members.
