OUR FAMILIES SHOULD BE HELD TOGETHER BY FAITH

As our modern lifestyle becomes increasingly complex, it results in family members becoming less closely kint. Dad may travel in his work, or depending on world events, he may be serving in the military. Mom may have a job, or site may be an executive in a big corporation. The children's school day is often followed by sports, band practice, music or dancing lessons, a paper route, or a myriad other activities, and

sports, band practice, music or dancing lessons a paper route, or a myriad other activities, and Mom may feel like a short order cook, trying to feed her family "togetherness?" It's at the House of Worship, where they should go together as often as possible, and learn that they are all God's children, equally blessed by His love.

Where we love is home...home that our feet may leave, but not our hearis. -Oliver Wendell Holmes
