In spite of a miserable day — cold, slippery, dreary — some 182 voters came to the polls last Tuesday.

Bill Smolek continues as president, having been elected by a large majority. Dave Martin and Dick Quevy were elected to the council. Bill Ortman will serve out his term as councilman.

It was very interesting that there were two winners: Norm Kreider, who served as very ably as president for several years, and George Trout, who is one of our ablest younger men who, if elected, would serve our village well.

THE WOMEN'S ASSN. met March 2 in the home of Susan Perin with Helen Snodgrass and Marj. Wendling providing a delicious dessert.

Our President, Nancy Brassett, called the business meeting to order as soon as cancer pads had been distributed for us to sew. Ruth Quevy proposed that we sponsor flags for Brownie troop. It was voted that we buy two nylon flags for them.

It was brought up that the Farmington JCs were sponsoring a hospital to serve Novi, Walled Lake, Farmington and West Bloomfield.

Further information will be obtained from the JCs and, we hope, a speaker for a future meeting.

Nancy arranged for a nominating committee, then turned the meeting over to our clerk, Alice Toth, to give us information on the upcoming election and to answer any possible questions. Alice explained that this would be a general election only. She gave us figures on the cost of road paving but informed us that this subject was in abeyance with the possibility of a special election later in the year.

Alice also explained the difference between incorporation and consolidation. Alice has certainly studied many of our village problems and she answered the questions ably.

It was nice to welcome Sister Olivia who came to her first Women's Assn. meeting the first two weeks of February.

on business, returning home Feb. 24.

Sister Olivia manages Marillac Hall. Of course Sarah Fisher Home and Marillac Hall are very important to the village.

DUANE PERRY lost his grandmother two weeks ago last Saturday. She had been living in a Lutheran home in Toledo for the past several years.

Duane's parents have been spending a considerable amount of time in Wood Creek as they expected this. The funeral was a week ago Monday.

Duane's parents remained in Wood Creek the remainder of the week as Valerie was confirmed at Antioch Lutheran Church last week Saturday. We all want to express our sympathy to Duane, his parents and his family.

Jo and Mickey Watts flew to Freeport, in the Bahamas, on Feb. 17 for 10 wonderful days of golf.

Alan Goldman is on his third rotation at the University of New Castle in England. Due to the postal strike there his parents had not heard from him until he went to Paris for the weekend and mailed a letter from there.

MARIAN AND CONRAD LAM flew to Tampa, Fla., where Doug, on term break from college, met them in his car and they drove down to Naples for a wonderful vacation.

on business, returning home Feb. 24.

Our former Wood Creek babysitter, Michele Smolek, is now a student teacher of kindergarten at the Woodlake Elementary School in Farmington.

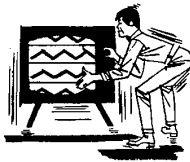

Peter MacInnes's sister, Mrs. Fred Indihar, flew on from Filbert, Minn., for a two-week visit here. Marie took her to the airport for her return flight last week Saturday.

Dick Agnello flew to Georgia where he spent nine days
